küdospa™

stylish

The colours of life

Create the ultimate urban ambience with Kudos Spa™. Designed for the stylish contemporary in-room experience, this refreshing collection of spa products have been created using the finest ingredients. Your senses will be truly uplifted with our exclusively designed fragrance containing a soothing combination of cucumber and white tea.

Our soaps & liquids contain nourishing extracts and essential oils including Rosemary, Coconut and Shea butter to help promote soft healthy skin and hair.

Treat your guests with the kudos they deserve with this extensive range. Available exclusively in hotel guest amenities, retail and spa products.

Kudos Spa™ is now available in ERP™ which means that selected packaging within this range will fully biodegrade in landfill.

biodegradable guest amenities

Respect today, for a greener tomorrow

At Concept Amenities we pride ourselves on being a world leader in the supply of amenities that deliver on quality, luxury and style. We have established expertise in all areas from design and formulation through to production, dispatch and delivery. With our head office in Australia and regional offices in Europe and USA, we are one of only a few amenity companies in the world that can offer a truly global supply solution.

To meet the growing environmental needs of both our customers and end users, we have developed our ERP™ logo, featured on all our biodegradable products. All products carrying the ERP™ logo fully biodegrade in landfill. ERP™ packaging materials contain Eco Pure®: an organic based additive that renders any plastic material biodegradable in landfill*. By choosing products carrying our ERP™ logo, such as the Kudos Spa™ bath and body range, you are helping to reduce the impact of solid waste in landfill.

Be environmentally responsible with Kudos Spa™, now with ERP™.
Available exclusively from Concept Amenities.
